JUSTIFICATION STATEMENT FOR CONSULTANT SELECTION

University of Utah
Frederick Albert Sutton Geology and Geophysics Building
DFCM Project No. 04030750

The selection committee has chosen **Cooper Roberts Simonsen Architects** for the programming of the Frederick Albert Sutton Geology and Geophysics Building.

Cooper Roberts Simonsen Architects was chosen because of quality past programming experience, exceptional past performance on other DFCM work, a demonstrated commitment to be readily available to handle comments, concerns, and inquiries of the owner/user group, a good balance of local resources and national consulting expertise, and an articulation of a comprehensive vision for the entire project.
